The Absurd Mistakes of "The World Needs A Father"

"The World Needs A Father" (《世界需要父親》) has been popular in the church for many years, and no one has risen to point out that it is wrong and misleading. The teaching of " The 'Missing' Father Image in the world" and charismatic teachings such as "Freed from an Orphan Spirit (趕出孤兒的靈) ", "Wife—Created To Be His Help Meet (妻子——榮耀的幫助者)" , "Renewing Your Marriage Vows (再立婚約)", "Building Church Leaders (建造教會領袖)", and "Searching for Spiritual Covering (尋找屬靈遮蓋)" The same, they all come from the charismatic evil spirits, the New Age movement evil spirits, and the spirit of the world. They are the false lies and deceitful tricks of the charismatic evil spirits. They are the time-killing tools and performance props tailor-made designed for false believers who don't like to study the boring Bible and the false teachers who don't want to work hard to study the Bible. The purpose is to tempt believers to abandon the only savior, Jesus Christ, the Son of the Father, but admit a thief as their father and

husband, or regard themselves as god, and become the cursed son of perdition.

"The World Needs a Father" is the most successful example of the "the world missing the image of a father" and the "Looking for a spiritual father" movement. Although the editor is not a professional pastor of believers, but a layman of spiritual teaching, he is bolder than Watchman Nee(倪柝聲), who is not very spiritual and dares to write "Spiritual Man" to teach others. However, we know that church believers are the huge target customers of this kind of teaching, and the spirits of the world and charismatic evil spirits will always made stumbling blocks to the church and believers. So their fallacies will always pull some Bible verses to embellish, and even use Many Christian terms, of course, also describe the fruits of "pleasing to the eye, loveliness, and wisdom" (the image of a good father), which makes believers feel like a treasure, amiable, lovely and learnable. However, the argument of this teaching is wrong, and of course all the principles of methods and measures derived from this theory are also distorted, misleading

and wrong. The author's argument basis is that the world is like hell instead of heaven because of the absence of the father and the lack of a good parent-child relationship to help children grow up to be kind and godly children. In order to appear spiritual, the editor said it was a "slight voice of God" who said to him: "The problem in Africa is the absence of the father." From this, it can be seen that if the author is not lying and this testimony is true, then obviously the "God's Whispering" is a counterfeit of evil spirits. All the content of "The World Needs a Father" does not come from the author's clever knowledge and experience, but from the revelation of evil spirits. Even the editor used "Malachi 4:6" to say, "God showed me that the absence of a father is a great evil force and a stronghold of Satan." He described his training courses as spiritual warfare, What he taught everyone was the "law of the kingdom of heaven". (The "father" and "children" in "Malachi" 4:6 refer to the Heavenly Father and the children of God, not to the harmonious family relationship of the world on earth.) The editors did not understand the Bible and pretended to be Christians or the pastor just copied the Scriptures

mechanically and forcibly interpreted the Bible, and even replaced the position of the Holy Heavenly Father with a stinky man on the ground. Such blasphemy proves that the editor is definitely not a misunderstanding with limited knowledge and culture, or an accidental clerical error. If the editor said it was his own understanding and knowledge can still be explored. But he said that "God showed him" such a wrong interpretation of the Bible, which proves that his "God" was counterfeited by Satan, the devil and evil spirit, and he was used by the evil spirit to spread fallacies and lies on behalf of the devil, works hard for Satan the devil. Because God the Father and the Holy Spirit will not use the Scriptures of the Bible to give a wrong "spiritual sight" unless he has already fallen into God's judgment. Christians should know that Heavenly Father has entrusted all authority in heaven and earth to the Son, Jesus Christ. And all matters of salvation and judgment in heaven and earth have been entrusted to the Son, the Lord Jesus Christ, so the problems on earth and Africa are not More good fathers who are illiterate, incapable of making a lot of money, like to drink a little wine, smoke a stinky cigarette, and love to say a few dirty

words can solve it, but only by listening to the gospel and trusting in the only Savior Jesus Christ , committed to being a Christian, living a holy and spiritual life can be fundamentally resolved.

The most common trick used by all heretics and cults is to lure people away from the Savior Jesus Christ, and directly seek to worship the "Heavenly Father"-the devil and evil spirit Satan's counterfeit "Heavenly Father" or people's own image. However, the rule made by Jehovah, the only God the Father is, "Whosoever denieth the Son, the same hath not the Father: he that acknowledgeth the Son hath the Father also. " (1 John 2:23)" John 8:19 Then said they unto him, Where is thy Father? Jesus answered, Ye neither know me, nor my Father: if ye had known me, ye should have known my Father also. Christians are to be a son according to the image of the Lord Jesus Christ, not to imitate the image of the Heavenly Father and pretentious play awe-inspiring. If a Christian learns the image of the Lord Jesus and is determined to follow the truth of the Bible, but does not know how to be a father, it is obviously their faith is false or they believe in a false

Jesus. The Lord Jesus Christ and the Heavenly Father are one. He can best reflect the image of the Heavenly Father and understand the heart of the Heavenly Father. Christians only need to learn from the Lord Jesus.

From the perspective of the world, "The World Needs a Father" is an ineffective folk prescription prescribed by quack doctors. People who are usually aware of the need to learn to be good fathers and who are willing to spend money and time to take courses to learn how to be fathers are no worse at all. Those who are unwilling to change their bad habits and stinky virtues are unwilling to learn even if they don't want money or even give them money or are escorted by the police for training. So "The World Needs a Father" is at best a icing on the cake for successful people, flattering them with empty, and not changing the world.

From a spiritual point of view, "The World Needs a Father" comes from the confuse of evil spirits, a trick of Satan, tempting people to abandon the Savior Jesus Christ, admit a thief as their father, or regard themselves

as God. Because there is no obvious charismatic mark, and it is for people to learn to be "Heavenly Father", which looks high-sounding, this course rarely makes people suspicious and wary, and it is very confusing. Because it is not from the truth of the Bible, there is no standard of right or wrong. Everyone can received what was right in his own eyes, just like that tastes differ with their selves hobby. Usually, those who participate in this kind of course training are capable and educated to Impromptu out one two three, can also have some "harvests", have some inspiration, so there is rarely a time to screwed up. Some believers will testify that after learning this course, they know how to love children, love the family, improve the family environment, and benefit. It seems the class is at least harmless. However, since their progress is not from the Holy Spirit, but from their own knowledge, will, rationality and patience, the results will not last long. When encountering environmental temptations, they will soon reveal their true colors, restore their former ugly virtues, and even intensify them. Even if you can really become a good Christian and a good father, it is the credit of the Lord Jesus Christ and

the Holy Spirit of truth. Don't give thanks to these plausible evil spirits lies.
